The map displays an archaeological site with a plan area (Plangebied) outlined in red. A red hatched area represents a 'werfweg' (throwing path). Yellow lines indicate 'proefsleuven' (trial trenches). Various archaeological features are marked with colored dots and labels: green for 'natuurlijk' (natural), blue for 'onbekend' (unknown), pink for 'postmiddeleeuws' (post-medieval), and red for 'volmiddeleeuws' (medieval). A cross-hatched area indicates 'verstoring' (disturbance). The map also shows buildings and structures, including a large building labeled '4B' and several smaller buildings labeled with numbers like 3, 4, 6, 33, 35, 37, 39, 41, and 4. The map is oriented with a north arrow and a scale bar (0 to 25 m). The map is bounded by coordinates 80325 to 80450 on the x-axis and 172525 to 172625 on the y-axis. The map is titled 'Deerlijk Ketserstraat' and 'Syntheseplan'. The project number is BAAC: 2019-0611 and the project code is 2019E82. The date is 3-7-2019 and the scale is 1:450.
