A horizontal beam of total length 5 m is shown. It is divided into five equal segments of 1 m each. The segments are shaded alternately: the first, third, and fifth segments are shaded grey, while the second and fourth segments are unshaded (white). The beam is labeled with '0' at the left end and '5' at the right end, with intermediate markings at 1, 2, 3, and 4. The unit 'm' is at the far right.
