WAB1053	AE						1											Chip, DGR svu, MV, gn cortex		
WAB1054	Bs-C						1	1										chip, NV, gn cortex		
WAB1055																				
WAB1056																				
WAB1057	AB-Bs						1											brokstuk, ROBR svu, cortex, LV?		
WAB1058	Bhs						1											brokstuk, DGR svu, NV, gn cortex		
WAB1059																				
WAB1060																				
WAB1061																				
WAB1062	EB						1	2										chips, DGR svu, NV		
WAB1063																				
WAB1064																				
WAB1065	AE						1											chip, meerv, DGR svu, MV, gn cortex		
WAB1066																				
WAB1067																				
WAB1068																				
WAB1069	BC-Bhs						1											chip, fragment, DGR svu, NV, gn cortex		
WAB1070																				
WAB1071																				
WAB1072																				
WAB1073	E						2											chips, BEIGR svu, NV		
WAB1074	AE-BC								1									meerv, DGR zvu, NV, gn cortex (10x10x2mm)		
WAB1075																				
WAB1076																				
WAB1077								1										chip, fragment, BR svu, NV, gn cortex, glans		
WAB1078																				
WAB1079																				
WAB1080																				
WAB1081																				
WAB1082																				
WAB1083																				
WAB1084																				
WAB1085								1										chip, BEIGE svu, NV, gn cortex, glans		
WAB1086																				
WAB1087																				
WAB1088																				
WAB1089																				
WAB1090																				
WAB1091	E-Ah						1											chip, fragment, DGR svu, NV, gn cortex		
WAB1092																				
WAB1093																				
WAB1094																				
WAB1095																				
WAB1096																				
WAB1097																				
WAB1098																				
WAB1099																				1
WAB1100	AC-Bhs						1											chip, voll, DGR svu, cortex, NV		
WAB1101																				
WAB1102	AE-Bh						1											brokstuk, BR svu, gn cortex, NV
