This archaeological site plan, titled 'Aarschot Mottestraat Plangebied op GRB Algemeen sporenplan Vlak 1', shows a section of a street and its surroundings. The plan is oriented with North at the top. A scale bar indicates distances from 0 to 40 meters. The site is bounded by coordinates 184700 to 184775 on the x-axis and 185675 to 185750 on the y-axis. Key features include: a large grey area labeled 'Grote Motte' on the left; a red line representing the 'Plangebied' (study area) running along the bottom; a blue line representing the 'Aanlegvlak' (construction area) running along the top; and several yellow areas representing 'Sporen' (traces) of archaeological features. These features are labeled with codes: S3001, S3002, S3003, S4001, S1001, and S2001. The plan also shows 'Werkput' (excavation pits) labeled WP1, WP2, WP3, and WP4. Other features include 'Moederbodem' (mother earth), 'Alluvium', 'Natuurlijke verstoring' (natural disturbance), 'Greppel' (ditch), 'Waterput' (water pit), 'Insteek waterput' (steep water pit), 'Kern waterput' (core water pit), 'Drainage', 'Insteek drainage', 'Recente verstoring' (recent disturbance), and 'Waterinfiltratie-bekken' (water infiltration basin). The plan is a detailed representation of the site's archaeological context and features.
